DEDICATED TO BOBBY JAMESON

Artist: Ariel Pink

Title: Dedicated to Bobby Jameson

Label: Mexican Summer

Catalog #: MEX240

Format: LP / CD / DIG

Release: September 15, 2017

Ariel Pink will release his new album, *Dedicated to Bobby Jameson*, on September 15. The recording is his first solo album since his highly acclaimed 2014 prog-pop opus *pom pom*, and first full-length release with the Brooklyn-based independent label Mexican Summer. The new release's title makes a direct and heartfelt reference to a real-life Los Angeles musician, long presumed dead, who resurfaced online in 2007 after 35 reclusive years to pen his autobiography and tragic life story.
